APPLICATION CRITERIA

To apply, students must meet the following criteria:

> hold a M1 or M2 (preferably in Economics, Law or Finance) by the start of the Summer School.
> or be enrolled in a Grande École or a Political Science Institute.
> subject to approval by the program manager, L3 candidates may be considered.
Preference will be given to students in their 4th/5th year of studies (M1/M2) and PhD students.

Applicants must have a sufficient command of the English language for studying the required readings and participating in rigorous classroom discussions.

ENROLMENT

Application period: from february 9, 2026 to April 4, 2026.

> Submit an application
Please attached the following documents to your application :

> A resume in English
> A cover letter in English
> Transcripts of records (from the last three years of study)
> Copy of your student card
Deadline for payment of registration fees: **May 4, 2026**

PROGRAM

The program is composed of 65 hours of courses of Law and Economics, all held in English.

> Classes Monday to Friday (typically from 9:00 am to 1:00 pm).
> Social and cultural events organized on certain days (visit of museums or institutions).

Courses

> Legal and Economic Analysis of Contracts and Exchange
Pr. Sarath Sanga, Yale University
> Economic Analysis of Legal Conflicts Resolution
Pr. Claudine Desrieux, Paris-Panthéon-Assas University

Seminars

Topics will include: The Economics and law of contract enforcement; Economics and law of the burden and standards of Proof; Harmonization of Legal Systems; Dispute Resolution Mechanism in International Business Contracts.

In addition, some specific events will take place:

> Team-building seminar at the beginning of the program.
> Case-studies and visits to the Chamber of Commerce and Industry, the OECD and academic conferences.
A detailed schedule will be provided to participants in due time.

ASSESSMENT METHODS

Students will be evaluated through exams for each class and will be required to solve problem sets, based on the content of the lectures given by the co-directors of the program.

The final grade of the certificate awarded to participants will be calculated on the basis of the written examination grades and class participation (subject to change).

Attendance of all lectures is mandatory to obtain the **Certificate**.
