WORKSHOP

PARIS-LONDON ECONOMIC THEORY WORKSHOP

16 April 2027

Université Paris Panthéon-Assas, Centre Panthéon

Organisateurs : Lorenzo Bastianello et Mehmet Mars Seven

Paris and London are two of Europe's leading centres for economic theory. The Paris-London Economic Theory Workshop aims to bring together researchers working on microeconomic theory, game theory, decision theory, mechanism design, mathematical economics, and related fields, fostering collaboration between researchers on both sides of the Channel.
