CONFÉRENCE

THE 2024 US PRESIDENTIAL ELECTION: RULES, ISSUES, AND THE STATE OF THE AMERICAN ELECTORATE

25 octobre 2024
Amphi 3 Centre Assas

M. Jendoubi animera une conférence de *Current Legal Issues* sur le thème "*The 2024 US Presidential Election: Rules, Issues, and the State of the American Electorate*" le vendredi 25 octobre dans l'amphi 3 du centre Assas à 16H

Résumé :

"*Although reports of data breaches have become extremely common, most people still do not realize why it is important to protect their personal data, nor do they understand the major principles applicable to data protection. This conference will remind the audience of some of the dangers inherent to personal data exposure and then give a brief overview of the history of data protection as well as the major principles of the GDPR*".
